- b. Education Opportunities – Jan will make a presentation to the TIES conference on December 10
- c. Pictometry – Steve Baker has the go ahead to enter into a two year contract to update Pictometry. Pictometry has developed a browser based system. The latest revision with Motorola and Pictometry are not working together.
- d. Enterprise GIS – The ESRI presentation centered on this topic

6. Ramsey County Updates Curt P.

Labeling has been updated. It was almost a year and a half out of date. County is working on a seamless integration between IMS and database. Curt passed out CD with databases. County is updating non-motorized vehicle routes including sidewalks, bike paths. Migrating all ArcView 3.0 over to ArcGIS 9.0 architecture.

7. Community announcements and reports

623 walk run entry forms are available. Steve Lorbach starts at SPRWS on Monday November 5.

8. Agenda for December Meeting –

The proposed agenda for the December meeting was developed. It will be distributed with the minutes and posted on the web site.

9 Other business - Jan met with Greg Mack regarding the GIS enterprise system. Jan felt that the meeting went well and that Mr. Mack understood what Jan was saying. Dan Falbo ESRI reported that the report has been sent to the County Board. The last phase of the project is being completed.
